

The selection process will consist of two stages:

Stage-1: Screening of applications

Academic record, work experience, and background

Stage-2: Personal Interview

Only the shortlisted candidates will be called for Personal Interview

Applicants are required to answer these three specific questions in the Statement of Purpose.

Q 1. Why do you want to pursue an FPM? Why an FPM from IIMU? (100 Words)

Q 2. State your research interest(s). Explain what research would you want to do? Why? (300 Words)
Please note you may or may not be actually pursuing this research interest if you get selected.

Q 3. What are your future research goals? (100 Words)
