Notice Inviting Tender (NIT)
Supply and Installation of BMU System(Cradle) at IIM Udaipur

Indian Institute of Management Udaipur (hereinafter referred to as “Institute” or “IIMU”) is an Autonomous Institute under the Ministry of Education (MoE), Government of India. IIM Udaipur is recognized as a premier management institution in the country.

Indian Institute of Management Udaipur invites E-tender (online tender) from approved and eligible contractors, under two part bidding System [Technical Bid & Financial Bid] from the experienced agencies. The bidders should have expertise experience in the similar field for undertaking works related to BMU System for the work “**Design, Supply and Installation of BMU System(Cradle) at IIM Udaipur.**”.

Bidders must read the complete ‘Tender Documents: This NIT is an integral part of the Tender Document and serves a limited purpose of invitation and does not purport to contain all relevant details for submission of bids. The Bidders must go through the complete Tender Document for details before submission of their Bids.

‘The Bidders shall sign and stamp each page of this tender document as a token of having read, understood, and comply with tender, the terms, and conditions contained herein. Manual bid/tender will not be accepted under any circumstances. Incomplete bids/ documents shall be rejected without giving any reason.

Availability of the Tender Document -This tender document containing eligibility criteria, the scope of work, terms and conditions, specifications, and other documents, can be downloaded from the Central Public Procurement (CPP) Portal <https://eprocure.gov.in/cppp/> or Indian Institute of Management Udaipur website: www.iimu.ac.in .

Clarifications – A Bidder requiring any clarification regarding the Tender Document may ask questions in writing/ electronically from the Office/ Contact Person as mentioned in TIS, provided the questions are raised before the clarification end date mentioned in TIS. This deadline shall not be extended.

Submission of Bids, EMD: - Bids shall be submitted through online mode under the e-procurement system. **No manual Bids shall be made available or accepted for submission.** The bidders have to apply online through E-Procurement portal <https://eprocure.gov.in/cppp/> only. **“The original EMD is to be submitted in a sealed envelope to be superscribed this tender name & the name of their agency and must reach the below address before the last date & time for submission of the bid.”**

Section-02

INSTRUCTIONS TO THE BIDDERS

1.0 GENERAL INSTRUCTIONS:

1.1 For Bidding / Tender Document Purposes, 'Office of the Director, Indian Institute of Management, Udaipur, Rajasthan referred to as 'Client' and the Bidder / Successful Bidder shall be referred to as 'Agency/ Contractor' and / or Bidder interchangeably.

1.2 The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates.

1.3 While all efforts have been made to avoid errors in the drafting of the tender documents, the Bidder is advised to check the same carefully. No claim on account of any errors detected in the tender documents shall be entertained.

1.4 Each page of the Tender documents must be stamped and signed by the person or persons authorized to submit the Tender in token of his/their having acquainted himself/ themselves and accepted the entire tender documents including various conditions of contract. Any bid with any of the Documents not so signed is liable to be rejected at the discretion of the client.

1.5 The Bidder shall attach the copy of the authorization letter / Power of Attorney as the proof of authorization for signing on behalf of the tendering company/ firm/ tenderer.

1.6 All Bidders are hereby explicitly informed that conditional offers or offers with deviations from the conditions of Contract, the bids not meeting the minimum eligibility criteria, technical bids not accompanied with EMD of requisite amount/format, or any other requirements, stipulated in the tender documents, are liable to be rejected.

1.7 The parties to the Bid shall be referred to as the 'Bidders' /Agency (to whom the work has been awarded) and 'Office of the Director, Indian Institute of Management, Udaipur, Rajasthan' shall be referred to as 'Client'.

1.8 For all purposes of the contract including arbitration there under, the address of the Bidder mentioned in the bid shall be final unless the Bidder notifies a change of address by a separate letter sent by registered post with acknowledgement to the 'Office of the Director, Indian Institute of Management, Udaipur, Rajasthan. The Bidder shall be solely responsible for the consequences of any omission or error to notify change of address in the aforesaid manner.

1.9 Bidders are advised to visit personally the worksite/place i.e. **Indian Institute of Management Udaipur, village Balicha, Udaipur, Rajasthan 313001** to acquaint themselves with site conditions.

1.10 The requirement/execution of the work is indicative as mentioned in Schedule of Quantity and may deviate or change at the sole discretion of the client up to the permissible deviation limit.

1.11 **Pre- Bid Meeting:-** The purpose of the pre-bid meeting will be to clarify issues and to answer questions on any matter concerning bids that may be raised at that stage or for any clarification in connection with the bid documents. The bidder may submit any queries in writing or by e-mail, to reach the Engineer In Charge before such meeting. Proceeding of the pre-bid meeting, including copies of the queries raised and responses given, will be furnished expeditiously to all those attending the meeting (and subsequently to all purchasers of the bidding documents). Any modification of the bidding documents which may become necessary as a result of the pre-bid meeting or otherwise shall be made by the Engineer In Charge through the issuance of an Addendum (or Amendment) to the bid documents and shall form part of the resultant contract.

2. EARNEST MONEY DEPOSIT:

2.1 This tenders should be accompanied with Earnest Money Deposit (E.M.D.) **Rs.36,000 /- (Rupees Thirty Six Thousand only)** in the form of Demand Draft/ Banker's Cheque/ Pay Order of any nationalized/Scheduled bank in favor of "Director, Indian Institute of Management, Udaipur, Rajasthan" payable at Udaipur, Rajasthan valid for 3 months.

2.2 The Earnest Money Deposit will be refunded to the bidders without any interest whose offers have not been accepted. The Earnest Money Deposit of the bidder whose offer is accepted will be kept until such time that the Performance Bank Guarantee is received.

2.3 The tenders without the Earnest Money shall be summarily rejected.

2.4 The tender security (EMD) may be forfeited:

(i) If the Tenderer withdraws his tender during the period of tender validity specified by the Tenderer in the tender form; or

(ii) In case of successful Tenderer, if the Tenderer

(a) Fails to sign the contract in accordance with the terms of the tender document.

(b) Fails to furnish required performance security in accordance with the terms of Tender document within the time frame specified by the client.

(c) Fails or refuses to honor his own quoted prices for the services or part thereof.

3. VALIDITY OF TENDERS AND RATES

Bid shall remain valid and open for acceptance for a period of 90 days from the last date of submission of Tenders.

The rates shall be valid for a period of One Year from the date of start of work.

3.1 Rates must be inclusive of GST and taxes.

4. PREPARATION/SUBMISSION OF BIDS

i. Bidder should take into account any corrigendum published on the tender document before submitting their bids.

ii. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to the rejection of the bid.

iii. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with the black and white option which helps in reducing the size of the

scanned document.

iv. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process. **Note:** My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

5. SUBMISSION OF TENDER

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as “offline” to pay the EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) **Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white-colored (unprotected) cells with their respective financial quotes and other details (such as the name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.**
- 6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 10) The bid summary has to be printed and kept as an acknowledgment of the submission of the bid. This

acknowledgment may be used as an entry pass for any bid opening meetings.

11) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

12) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

13) The Agencies are requested to submit the bids through an online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bid online by the Agencies at the eleventh hour.

14) Not more than one tender shall be submitted by one Agency or Agencies having a business relationship. Under no circumstance will the father and his son(s) or other close relations who have a business relationship with one another (i.e. when one or more partner(s)/director(s) are common) be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both parties liable to rejection.

15) Bidder who has downloaded the tender from the IIMU website www.iimu.ac.in and Central Public Procurement Portal (CPPP) website <https://eprocure.gov.in/eprocure/app> shall not alter/modify the tender form including downloaded price bid template in any manner. In case if the same is found to be altered/modified in any manner, tender will be completely rejected and EMD would be forfeited, and Bidder is liable to be banned from doing business with IIMU.

6. TENDER OPENING PROCEDURE

6.1 The tender will be opened online on the Central Public Procurement Portal (CPP Portal).

7. CLARIFICATION ON TENDER EVALUATION

7.1 The Tender shall be evaluated based on the available documents submitted by the tenderer.

7.2 Client also reserves right to seek confirmation/ clarification on the supporting documents submitted by the tenderer.

8. RIGHT OF ACCEPTANCE

8.1 Office of Director, IIM Udaipur, Rajasthan reserves all rights to reject any tender including those tenderer's who fail to comply with the instructions without assigning any reason whatsoever and does not bind itself to accept the lowest or any specific tender. The decision of the Competent Authority in this regard shall be final and binding.

8.2 Any failure on the part of the Tenderer to observe the prescribed procedure and any attempt to canvass shall render the Tenderer liable for rejection.

8.3 The Competent Authority reserves the right to award any or part or full contract to any successful tenderer's at its discretion and this will be binding on the Tenderer's.

8.4 Office of Director, IIM Udaipur, may terminate the contract if it is found at any stage that Contractor is blacklisted on previous occasion by any institution.

9. LETTER OF ACCEPTANCE

9.1 After determining the successfully evaluated Tenderer, Client shall issue a Letter of Acceptance (LoA) in duplicate, who will return one copy to client duly acknowledged, accepted and signed by the authorized signatory, within 3 days of receipt of the same by him.

9.2 The issuance of the Letter of Acceptance to the Tenderer shall constitute an integral part of the contract and it will be binding on the contractor.

Section-03

GENERAL CONDITIONS OF CONTRACT (GCC)

1. DEFINITIONS

Unless repugnant to the subject or context of usage, the following expressions used herein shall carry the meaning hereunder respectively assigned to them, namely:

1. **“Annexure”** referred to in the Tender document shall mean the relevant annexure appended to the Tender Document and the Contract.
2. **“Approved”** shall mean approved in writing including subsequent confirmation of previous verbal approval. **“Approval”** shall mean approval in writing including as aforesaid.
3. **“Agreement”** the word “Agreement” and “Contract” has been used interchangeably.
4. **“Bidder”** shall mean the Bidder who submits the tender for the work and shall include the successors and permitted assigns of the Bidder.
5. **“Organization”** shall mean the Indian Institute of Management located at Udaipur, Rajasthan.
6. **“Commencement Date”** shall mean the date upon which the Contractor receives the notice to commence the supply of Services.
7. **“Competent Authority”** shall mean the Director, Indian Institute of Management, Udaipur, Rajasthan.
8. **“Competent Officer”** shall mean an officer authorized by the Director.
9. **“Contract”** shall mean the contract for the work and shall include the Tender Documents, the Special Conditions of Contract, the General Conditions of Contract, the Letter of acceptance and the accepted rates, the offer, the Agreement and mutually accepted conditions in the authorized correspondence exchanged between the Contractor and the Competent Officer and any other document forming part of the contract.
10. **“Contract Amount”** shall mean the sum quoted by the Contractor in his offer and accepted by Competent Authority.
11. **“Contractor”** shall mean the individuals or firm or company whether incorporated or not, undertaking the contract and shall include legal representatives of such individual or persons composing such firm or unincorporated company or successors of such firm or company as the case may be and permitted assigns of such individual or firm or company. This shall be synonymous with term “Bidder” used in the Detailed Tender Notice and shall mean the successful “Bidder”.
12. **“Engineer in Charge”** shall mean the Associate Manager-Estate of Indian Institute of Management, Udaipur
13. **“Letter of Acceptance”** means the formal acceptance of Bid issued by the Competent Officer.
14. **“Owner”** shall mean the Director, Indian Institute of Management, Udaipur, Rajasthan.
15. **“Prescribed”** shall mean as prescribed in the Tender Document.
16. **“Specifications”** means the specifications referred to in the Tender and any modification thereof or addition

or deduction thereto as may from time to time be furnished or approved in writing by the Competent Authority. In case where no particular specification is given, the relevant specification, where one exists, of the Bureau of Indian Standards shall apply.

17. **“Tender”** means the Contractor’s bid offered to the Competent Authority for the supply of the Services and remedying of any defects therein in accordance with the provisions of the Contract, the installation and services as accepted by the Letter of Acceptance.

19. **“Time for completion”** means the time for completing the supply of services or any part thereof as stated in the Contract calculated from the Commencement Date.

20. **“Similar Work” and “Scope of work”** shall mean the Design, supply, and installation, of BMU (Cradle) System.

21. The specifications mean the CPWD specifications related to the work with up-to-date correction slips and amendment thereto. Any term that has not been defined hereinabove shall be governed by the meaning explained in Oxford Dictionary and/or should be determined by the General Clauses Act relevant to such contracts.

2. RETURNING OF EARNEST MONEY DEPOSIT (TENDER SECURITY AMOUNT)

2.1 The Earnest Money Deposit of the unsuccessful tenderers shall be returned after opening of the financial bid.

2.2 The Earnest Money Deposit will be refunded to the bidders without any interest whose offers have not been accepted. Earnest Money Deposit of the bidder whose offer is accepted will be kept until such time that the Performance Bank Guarantee is received.

3. PERFORMANCE GUARANTEE (SECURITY DEPOSIT)

3.1 The successful tenderer will deposit 5 % of the tendered value as Performance security in the form of FDR/Bank Guarantee pledged in favor of “Director, Indian Institute of Management, Udaipur, Rajasthan” from any Nationalized/Scheduled Bank within 10 days of the acceptance of the Loa. The validity of Performance security will be 24 months from date of completion of work. The performance security can be forfeited by order of the competent authority i.e. Director, Indian Institute of Management, Udaipur, Rajasthan. in the event of any breach of negligence or non-observance of any terms/ condition of contract or for unsatisfactory performance or for non-acceptance of the work order. Security deposit which shall be extended to cover **the defect liability period of 24 months after completion of the work**. The EMD deposited at the time of tendering will be returned after submission of the Performance Guarantee. **(Warranty of the BMU System-Cradle- 2 years).**

The contractor has to maintain the designated dumping site within the campus neat and clean and also has to clear any dumped material brought at the site during execution of the awarded work whenever he asked for. The cost for the same is inclusive in the rates quoted against the items available in schedule of quantity. No extra payment for the same shall be paid.
4. Inspection of materials/work at site: The IIM Udaipur's engineer and /or his representative shall inspect the materials at site after delivery before the same is used in the work. The IIMU's engineer and /or his representative shall have free and full access at any time during execution of the contract to the contractor's works or site. In case of execution of work for the aforesaid purpose, and IIMU's engineer may require the contractor to make arrangements for inspection of work or any part thereof or any material at his premises or at any other place specified by the IIMU's Engineer.
5. The IIM Udaipur's Engineer shall have the power: (i) To reject the whole/part of the items & materials tendered for inspection, if after inspection of such portion thereof, as he may in his discretion think fit, he is satisfied that the same is unsatisfactory; and ii) To mark the rejected items / materials or parts with a rejection mark so that it may easily be identified if re-submitted.
6. Requirement of Technical Representative(s) and recovery Rate: -

S.No.	Minimum Qualification of Technical Representative	Discipline	Designation (Principal Technical /Technical representative)	Minimum Experience	Number of Engineers/ Representatives	Rate at which recovery shall be made from the contractor in the event of not fulfilling the requirement
1.	Graduate Engineer/ Diploma Engineer	Technical Person(Mechanical)	Principal Technical Representative (Project Manager cum Planning/ Quality/ Site/ billing Engineers)	Graduate Engineer with minimum 2- year experience / Diploma holder with minimum 5 year experience	1	Rs. 500/- per day

7. If for any reasons, any part of the site is not available temporarily for some time for part of the work under the contract, the agreed construction schedule shall be suitably modified and contractor shall diligently divert his men and materials to utilize them appropriately, profitably and no claim of damages whatsoever shall be entertained on this account. However, the contractor shall be allowed extension of time for completing the work as deemed fit by the competent authority. The contractor shall also not be entitled to any compensation for any loss suffered by him and revision in the rates quoted by him.

(a) On account of delay in commencing the work by the contractor.

(b) On account of reduction in the scope of work.

(c) On account of suspension of work or abandoned after award of work.

8. The contractor shall make his own arrangement for obtaining electric connection required for execution of work and make necessary payments directly to the concerned departments and nothing extra shall be payable on this account. The contractor shall make his own arrangement for water suitable for construction.

9. On account of security consideration, some restrictions may be imposed by the security staff on the working and/ movement of men and materials etc. The contractor shall be bound to follow all such restrictions/ instructions and he shall organise his work accordingly. No claim on this account, whatsoever,

Signature of Bidder

Page 27 of 38

Signature of Associate Manager (Estate)

shall be payable.

10. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night, speed limit boards, red flags, red lights and providing barriers. He shall be responsible for all damages and accidents caused to existing/ new work due to negligence on his part. No hindrance shall be caused to traffic during the execution of the work

11. The contractor shall be responsible for the watch and ward of all materials brought by the contractor to site against pilferage and breakage during the period of installation and thereafter till the works are physically handed over to the department

12. All materials to be incorporated in the work shall be arranged by the contractor and shall be in accordance with the specifications laid down.

13. The contractor shall be required to get all the necessary mandatory and other tests as per the specifications/ IS codes, carried out on materials/ work from an approved laboratory as per the direction of the Engineer In Charge. The testing charges and conveyance from the site shall be borne by the contractor.

14. The contractor shall take all preventive measures against any damage caused by rain, snowfall, floods or any other natural calamity, whatsoever during the execution of the work. The contractor shall be fully responsible for any damage to the Owners property and to the work for which the payment has been advanced to him under the contract. However, the contractor shall maintain an equal to the payment received against the work done, at his own cost. This will also cover the defect liability period. This shall be favoring the Director, Indian Institute of Management Udaipur. Nothing extra on this account shall be payable to the contractor for maintaining such insurance, Policy.

15. In case any material / work is found sub-standard the same shall be rejected by the Engineer In Charge/ Architect representative and the same shall be removed from the site of work within 48 hours, failing which the same shall be got removed by the Engineer In Charge at the risk and cost of the contractor without giving any further notice and time.

16. The contractor shall be responsible for completing the work and for satisfying all terms and conditions of the Contract without any extra payment over his quoted rates unless otherwise specified. The contractor shall quote his rate for various items of work accordingly and no claim whatsoever shall be entertained for any incidental or extra work involved in the execution of the work as per nomenclature of the item and the specifications indicated in the tender documents.

17. In order to ensure quality of work during its execution, the Estate Office representative may require samples for mandatory or routine testing of materials. All costs of these samples, their packaging, conveyance from the site to the testing laboratory and return, shall be borne by the contractor.

18. Even ISI marked materials may be subjected to quality test at the discretion of the Engineer In Charge / Architect. Whenever ISI marked, materials are brought to the site of work the contractor shall, if required by the Engineer In Charge / Architect, furnish manufacturer's test certificate or test certificate from approved testing laboratory to establish that the materials procured by the contractor satisfy the provisions of relevant ISI codes. The testing charges shall be borne by the contractor. However, cement/steel will be necessarily tested before start of work and also during the execution of work as per the requirements of specifications and will not be used till test certificates are obtained and approved by Engineer In Charge / Architect.

19. The contractor shall supply free of charge the material required for testing. The cost of tests shall be borne by the contractor.
20. The quantities of various items incorporated in the tender are approximate. However, the payments shall be made to the contractors on the basis of actual measurements taken at site.
21. Subject to the nomenclature of the item as per schedule of quantities, the specification indicated in the tender documents, the rates quoted shall include cost of all materials including royalty and taxes if any, labour, sundry inputs, execution of work at all heights, levels, pattern and design for all leads, lifts and depths including overhead charges and contractor's profit. Nothing extra shall be paid on this account.
22. No shifting charges will be paid to the Contractor for shifting the construction equipment and its accessories from one location to another or from one area to another.
23. The contractor shall supply free of charge samples of items as required for testing including its transportation to testing laboratories. The cost of testing reinforcement shall be borne by the contractor.
24. The contractor shall protect the adjoining buildings or works and the work under execution from fire and shall make adequate arrangements for fire protection and firefighting and if any property is damaged, by fire due to the negligence of the contractor, the same shall be made good by the contractor at his own cost, to the entire satisfaction of Engineer In Charge.
25. The contractor shall get samples of all the materials to be used in the work approved from Engineer In Charge and Architect before going for bulk procurement. Bulk procurement shall be taken up only after obtaining approval from the Engineer In Charge. Any delay in getting the samples approved shall be the contractor's responsibility.
26. All materials, articles and workmanship shall be of respective best quality and kind for the class described in the schedule of quantities and specifications. All materials, so used in different items of work shall be subject to the approval of the Engineer In Charge.
27. The contractor is supposed to abide the minimum wages act, and shall produce all records to the Engineer In Charge or any other statutory authority as and when called for. The Institute does not hold any responsibility on account of any lapses in this regard.
28. All spaces allotted to the contractor as described above shall be vacated and all structures removed from site at any time as and when required and directed by the Engineer In Charge, unconditionally and without any reservation. The Engineer In Charge will not be obliged to give any reason for such removal. Upon receiving instructions to vacate the space, the contractor shall immediately remove all his structures, materials, etc. from the sources and clear and clean-up the site to the satisfaction of the Engineer In Charge.
29. The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor.
30. The quantity of items may increase or decrease as per requirement at site. The contractor shall have no right to raise any objection and claim in respect of the increase or decrease, in quantities of items. The contractor is requested to quote their rates by considering this aspect.
31. During execution of work the contractor shall make all necessary barricade/covering of the site.

wherever required at no extra cost.

32. No extra cost beyond schedule of quantity items shall be paid to the contractor for making arrangements like scaffolding/lifting arrangements for shifting of material. The contractors who like to participate in the bids should consider this criterion and request to visit the site before filling the tender.

33. All civil & electrical work required for installation, testing, commissioning and operation of BMU system is under the scope of bidder.

34. The quoted rates should be inclusive of freight charges, loading & unloading charges, nothing extra in this regard should be paid to the contractor.

35. In order to achieve the targeted date of completion the contractor may have to work in multiple shifts including public and gazette holidays and nothing extra shall be paid on this account.

36. The requirement/execution of the work is indicative as mentioned in Schedule of Quantity and may deviate or change at the sole discretion of the client upto the permissible deviation limit as per IIMU Rules.

37. The work will be carried out as per CPWD Specification 2022 Vol. I & II and upto date correction & amendment slips. Those items which are not available/covered under the CPWD Specification 2022 Vol. I & II. General specification will prevail as per the material & labour consumed in the work.

38. All terms & conditions laid down in CPWD Works Manual 2022 shall be applicable.

39. All dismantled material having any salvage value to be determined by the Engineer In Charge shall be the property of IIMU.

40. The rates quoted by the tenderer shall be firm and fixed for the entire period of completion and till handing over of the work, No revision to Percentage/ Item rates or any escalation shall be allowed on account of any increase in prices of materials, labour, POL and Overheads etc. or any other statutory increase during the entire contract period of extended contract period.

41. No worker/employee of the Agency shall be allowed to stay in the premises of IIM Udaipur. The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor.

42. No littering shall be allowed in the premises and routine disposal of debris shall be ensured by the contractor.

43. Special conditions in terms of final bill:

43.1 All measurements of all items having financial value shall be entered by the contractor and compiled in the shape of the Computerized Measurement Book having pages of A-4 size as per the format of the department and shall be submitted online within 7 days of the execution of the work along with copy of supporting document in hard copy.

43.2 The contractors shall submit his final bill to the Engineer In Charge within 15 days of Completion of work. No further claims shall be made by the contractor after submission of the final bill, and these shall be deemed to have been waived and extinguished.

43.3 The agency has to follow all the safety measures, in case of any happening due to any carelessness in safety regulations, IIMU will not be held responsible. No claim whatsoever will be entertained in this regard.

43.4 Care shall be taken by the contractor during the execution of the work to avoid damage to the building. He shall be responsible for repairing the damage and restoring the same. He shall also remove all unwanted and waste materials arising out of the installation from the site of work from time to time.

43.5 The final inspection and testing will be done by the Engineer In Charge or his representative.

43.6 The material shall be approved by the Engineer In Charge or his authorized representative before its use at the site. The agency shall remove rejected material from the site of work within three days of rejection, otherwise, it will be removed by the institute itself and the expenditure incurred will be recovered from your bill. In this regard, no claim whatsoever will be entertained.

43.7 It will be the responsibility to submit computerized measurements & bills. Payment will be made after verification of measurement.

43.8 Rates agreed are inclusive of

- Transportation, Loading-unloading and shifting at store and site.
- Transit Insurance of material.
- Scaffolding ladder etc required in height.
- Arrangements and equipment required for testing of equipment.
- Testing and commissioning charges.

SECTION-5

TECHNICAL SPECIFICATIONS OF THE MATERIALS TO BE USED AT SITE

1. General

The work under contract shall be carried out in accordance with CPWD specifications Vol. I & II- 2022 for the execution of individual schedule items & DSR 2023 with up-to-date correction slips. The execution of schedule items which are not covered under CPWD specification 2019 shall be bound on contractor as per direction of Engineer- In charge. However, some of the specifications have been described from para-3, below. For disposal/stacking of dismantled /surplus item (s) the contractor shall be bound to dispose/ stack the dismantled/ surplus item (s) up to a lead of 200 meters or at designated place as per directions of Engineer In Charge and no claim of extra payment in accordance with the CPWD specification 2019 shall be entertained in this regard.

The indicative features of BMU (Cradle) is as follows, the agency shall get the design verified & approved from the structural engineer / Design consultant. The proposed Design and engineering are in conformity with Specifications and Standards, Applicable Laws and Good Industry Practice.

2. CRADLE

- (i). Steel Platform Construction with centralized control panel and additional remote pendant switch for all operations.
- (ii) All cradle floors have chequered non slip flooring.
- (iii) Guide Rollers are provided to protect the cradle as well as delicate surface on facade.
- (iv) The cradle can be dismantled completely for ease of transportation from place to place. Additionally, the cradle is fitted with 4 castors for easy transportation in assembled condition.

3. HOIST

- (i) World class CE certified aluminium alloy hoist with required weight.
- (ii) Electromagnetic disc brakes are provided on each hoist.

4. SAFETY FEATURES

- (i). Central control in the cradle for traction hoist with IP65 Protection, Main Switch, phase protection & push buttons.
- (ii) Fail-Safe primary electromagnetic brake positively locked with power switch on/off position. In case of power failure, the electromagnetic brakes are instantly actuated to safely hold the cradle in position.
- (iii) Emergency descent at controlled speed in case of power failure by operating primary brake lever.
- (iv) Upper limit switches to halt the ascent at pre-determined height.
- (v) Emergency push button stops on control panel and remote pendant switch.
- (vi) Speed control safety Device.

(vii) Top Board to prevent dropping down small tools.

5. SPECIAL FEATURES

The proposed BMU must have following feature system proposed.

- (i) No puncturing of roof required.**
- (ii) Brackets are not required.**

To ensure safe operation without danger to personnel at the platform we have fitted the below Following safety devices:

- 1) Service brake incorporated in the hoist.
- 2) Two fall arrest devices acting on the safety wire ropes.
- 3) Two upper limit switches.
- 4) No power descent in case of power failure.
- 5) Anti-tilt device.
- 6) Emergency stop.
- 7) Phase controller. motor pump.
- 8) Counterweight Locking System
- 9) ETT (Electric Travelling trolley)
- 10) Suspended Platform

The Cradle System welded with profiled steel pipes. All these parts can be assembled with bolts and nuts. The Floor is anti – slip type. For details of structure, see figure of suspended platform.

11) HOIST

The Hoist consists of electromagnetic brake motor, centrifugal speed limiter, dual speed reduction system and pulling rope system etc.

The hoist is provided with automatic rope feeding function and operators just needs to insert wire rope into the inlet of the hoist.

The electromagnetic brake of the hoist motor is able to be auto engaged to produce braking Torque that stops and supports the suspended platform.

In the event of power failure or Emergency, the platform can be lowered slowly in the manual model.

11)SAFETY LOCK

Safety Lock (Tilt proof safety lock) is separate mechanical unit that can automatically lock Safety wire rope when the working rope is broken or suspended platform tilts to its limits. The tilt proof safety lock consists of parts as rope clip, sleeve plate, torsion Spring, bracket, swing arm and roller. It is so arranged that the working wire rope is put against the roller on the swing arm to make the rope clip open and allow the smooth pass of safety wire rope. If the suspended platform tilts to its limits or working wire rope breaks, the pressure on the swing arm safety lock will reduce and safety rope clip swiftly closes and locks safety wire rope to prevent suspended platform from dropping. When anti-tilting safety lock is applied, the tilt angle of suspended platform should be 3~8

12) ELECTRIC CONTROL SYSTEM.

The electric control system consists of electric control box, electromagnetic braking motor, ETT control and Pendant Control etc, the upward and downward movement suspended platform controlled by two electromagnetic braking motors.
