The Manufacturing/Engineering/Energy sector emerged to offer the largest number of internships followed by Information technology/ITES.

The largest number of internship roles were in Sales & Marketing & Business Development function followed by Consulting/Strategy.

Companies operating in the Investment Banking division of the BFSI sector offered internships to students who will have the opportunity to learn about various financial services including underwriting and capital creation.

The campus played host to one international company. This company recruited 2 students.

The Institute has launched a program called 'Project Maverick' to provide students an avenue to explore the world of start-ups while being part of it.

Running parallel to the placements, the program opens a window for students desirous to join start-ups, thereby providing them a hands-on experience of the start-up ecosystem. The institute has roped in ten start-ups from digital space and about 24 students have joined them to have an enhanced learning experience.

The institute proactively supports and encourages entrepreneurship and hence, is supporting two students to work on their B-plan as a part of internship program. As a part of this the students will be supported by the institute and corporate mentors throughout the process. Besides, the students will also be offered stipend of Rs.10000 per month by the institute.

Placement details as per IPRS

Indian Placement Reporting Standards (IPRS) endeavors to provide transparency and authenticity in the reporting of placement related information across B-Schools through standardized and audited placement reports. IIM Udaipur is the third IIM in India to be a signatory to the IPRS and this report has been audited by an external legal entity.
