# Final Placements

Recruitment starting in November  
(for second year students)

IIM Udaipur's Corporate Relations Team comprising the placement office and the student placement committee oversee the placement process and facilitate all interactions with the companies. A point of contact is assigned to each company from the placement office and the student placement committee. The Final Placements process is when students are evaluated by prospective recruiters. On the spot offers are given to the students that have been selected by the company after the placement process. Students with prior work experience are generally considered for lateral positions.

## ▶ **Pre-placement presentations/talks**

Companies have the option of using a pre-placement presentation to give students information about their business, vision, work culture and the roles and opportunities available, followed by a Q&A session. The presentation timing would be mutually decided by the institute and the company.

## ▶ **Schedule**

The preferred mode for hiring (online/offline) can be mutually decided by the company and the placement committee. The placement committee gives the slot for campus hiring after discussion with the company and obtaining details like job descriptions, compensation, etc.

## ▶ **Placement process**

Interested students apply to the company and submit their resumes through the Student Placements Committee. The selection process generally consists of resume-based shortlisting and one or more rounds of personal interviews. It may also include preliminary rounds like aptitude tests, the actual selection process differs from company to company. The timeline and scheduling of the various rounds can be mutually decided by the placement committee and the company based on prior discussion. Offers, including details of role, location, compensation and other relevant terms and conditions, must be conveyed to the candidate through the Student Placements Committee. Most companies also indicate the students whom they want to keep on the waiting list, ensuring that both the companies and the students are able to make the most appropriate choice. The placement process is governed by the Institute's placement rules.

## ▶ **Post placement process**

Once a company has made an offer as part of the campus placement process, a candidate is bound to accept the offer within a stipulated time frame. The candidate communicates the decision to the placement committee which in turn conveys it to the company. When a candidate accepts an offer, he/she automatically opts out of the placement process and ceases to be part of the pool of candidates available to companies. We follow the One-offer policy, where a student is removed from any further placement processes of other companies once an offer has been made. The candidates are made the offer conditional on their successful completion of the course. The HR managers at the respective companies then take over to guide candidates through the induction and joining process.

# Class Summary

## 2nd Year Students for Final Placements

**322**

Class Size

Female Students

**31%**

**75%**

Students with Prior Work Experience

Average Work Experience\*

**31 months**

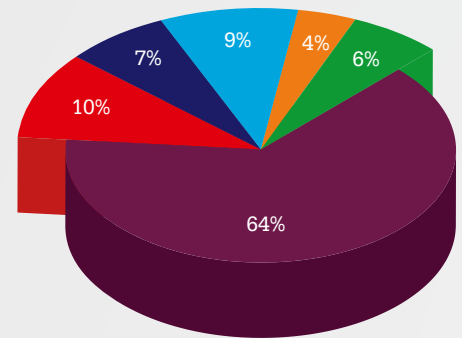

for students with work experience

Undergraduate Universities/Colleges  
12 IITs, 32 NITs, 4 BITS, 30 Delhi University,  
17 Mumbai University Percentage of students  
from IIT/NIT/BITS/IISER: 15%

### Previous Employers

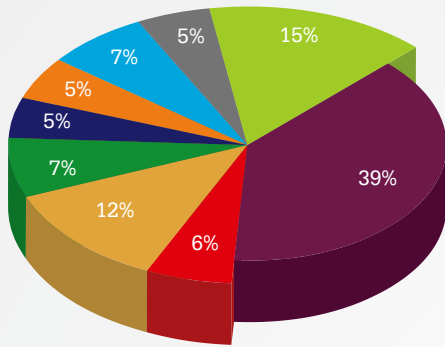

Accenture, Casio, Deloitte, Ernst & Young, Gap, Genpact, Herman Miller, HP, Hindalco Industries, HCL, Honeywell, Huawei, ICICI Lombard, Infosys, KPMG, L&T, Maruti Suzuki, Medtronic, Myntra, Mu Sigma, Publicis Sapient, Reliance Industries, Renault Nissan Mitsubishi, Samsung, SAP, Shoppers Stop, Sodexo, Spinny, Tata Consultancy Services, Tega Industries, TÜV SÜD, Vedanta, Wells Fargo, ZS Associates

### Educational Background

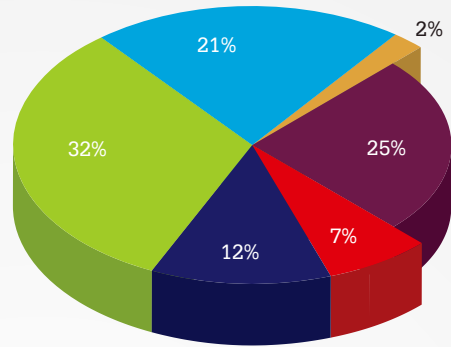

- Engineering
- Science
- Commerce
- Business Administration
- Arts
- Others

### Work Experience by Sector

- IT/ITES
- BFSI
- Manufacturing/Engineering
- Education
- Consulting
- FMCG/Retail
- Construction
- Automobile
- Others

### Duration of Work Experience

- Freshers
- 0 to 1
- 1 to 2
- 2 to 3
- 3 to 4
- 4+

# Courses Taught

## First Year

### Business Policy and Strategy

Business Ethics

Indian Social and Political Environment

Legal Aspects of Business

Strategic Management

### Communication

Managerial Oral Communication

Written Analysis and Communication - I & II

### Economics

Macroeconomics

Microeconomics for Managers

### Finance and Accounting

Corporate Finance - I & II

Financial Accounting

Managerial Accounting

### Marketing

Market Research

Marketing Management

Digital Marketing

### Organizational Behavior and Human Resources

Human Resources Management

Organizational Behavior

Individual and Group Dynamics

### Operations Management, Quantitative Methods and Information Systems

Introduction to Digital Technologies

Data Science for Business Analytics

Operations Management

Operations Research

Spreadsheet Modeling

Statistics for Management

## Second Year

### Marketing

B2B Marketing

Brand Management

Consumer Behaviour

Pricing

Product Strategy and Management

Sales & Distribution Management

Advanced Selling Skills and Management

Cultural Branding and Analysis

Marketing Analytics

Marketing Data Science

Reimagining the Retail in the Digital Era

Retail Management

Rural Marketing

Seminar cum workshop on Consumer based Business Strategies

Advanced Digital Marketing

Advertising Management & Integrated

Marketing Communication

Alignment in Marketing

Customer Relationship Management

Qualitative Research Methods for Marketers

### Finance

Banking, Financial Markets and Systems

Business Valuation

Financial Derivatives

Corporate Valuation

Global Securities Market

Private Equity and Venture Capital

Financial Risk Management

Financial Statement Analysis

FINTECH

Management Control Systems

Merger, Acquisition &

Corporate Restructuring

### Finance

Security Analysis & Portfolio Management

Trading Landscape of Equity Markets

Time Series and Causal Inference Methods for Business Applications

Fixed Income Securities (Online + Offline)

Hedge Funds - History, Strategies and Market Practices

Management Games

### Business Policy and Strategy

Healthcare: Strategy, Management, and Entrepreneurship

Industry & Competitor Analysis

International Marketing Strategy

Multi-Sectoral Analysis in Indian Context

Strategic Negotiations and

Conflict Management Skills for Leaders

Advanced Entrepreneurship

Digital Strategy and Digital Transformation

Management Consulting

Strategic Leadership

Advanced Competitive Strategy

Business Relationships and Networks

Communication Skills for Leadership & Team Excellence

Green Business Management

Multi sided Platform Business Strategy

Workshop on Public Policy

## Second Year

### OB-HR

Enhancing the Creative Self
Human Resource Management (Industrial Relations)
Advanced Leadership Course
HRM & Workforce Analytics
Labour Relations
The Leadership Personality: Public Speaking
Inspired Leadership thru Personal Mastery
Leadership from Emergence to Effectiveness
Managing your Personal Brand
Negotiations (Advanced)
Negotiations (Beginners)
Difficult Conversation

### OM-OM-IS

Predictive Analytics
Revenue and Price Analytics
Sourcing
Supply Chain Management
Project Management
Advanced Methods for Data Analysis
Analytical Models for Operations and Supply Chain
Business Forecasting
Competing through Operations
Data Warehousing & Visualization
ERP Systems: Technology Planning & Implementation
Logistics: Contemporary Perspectives
Strategic Digital Supply Chain Management
Theory of Constraint

### Economics

Business and Government
Game Theory Applications
