

EVENT REPORT

MILESTONE V FLASHBACK VIII

Milestone V and Flashback VIII were conducted online on the 7th of March 2021, Sunday, and was graced by our respected Director Prof. Janat Shah, esteemed faculty, alumni, and students.

MILESTONE V

It is a celebration for the batches who have successfully completed 5 years of graduation anniversary with IIMU. This year's Milestone witnessed the anniversary of PGP 2014-16 and PGPX 2015-16 batches. The online event started with Director Prof. Janat Shah's welcome speech welcoming the audience and addressing the alumni. The event also witnessed prominent faculty like Prof. N. Viswanathan, Prof. Rajesh Pandit, Prof. Manab Bose, Prof. Debanjan Mitra, Prof. Utkarsh Majmudar and Mr. Vaneet Chhibber. President of the Alumni And Alli-

es Association, Mr. Rohit Misra and Vice-President, Mr. Venkatesh Thouti, wished the Milestone V batch and took everyone through the duties, responsibilities, and activities undertaken by A4 over the past year. As part of the tradition and a gesture of appreciation, a tree plantation drive was conducted, wherein Prof. Janat Shah planted saplings on behalf of the community. Prof. Rajesh Agrawal and Prof. Sandhya Bhatia planted saplings on behalf of the Milestone V PGPX 2015-16 and PGP 2014-16, respectively.

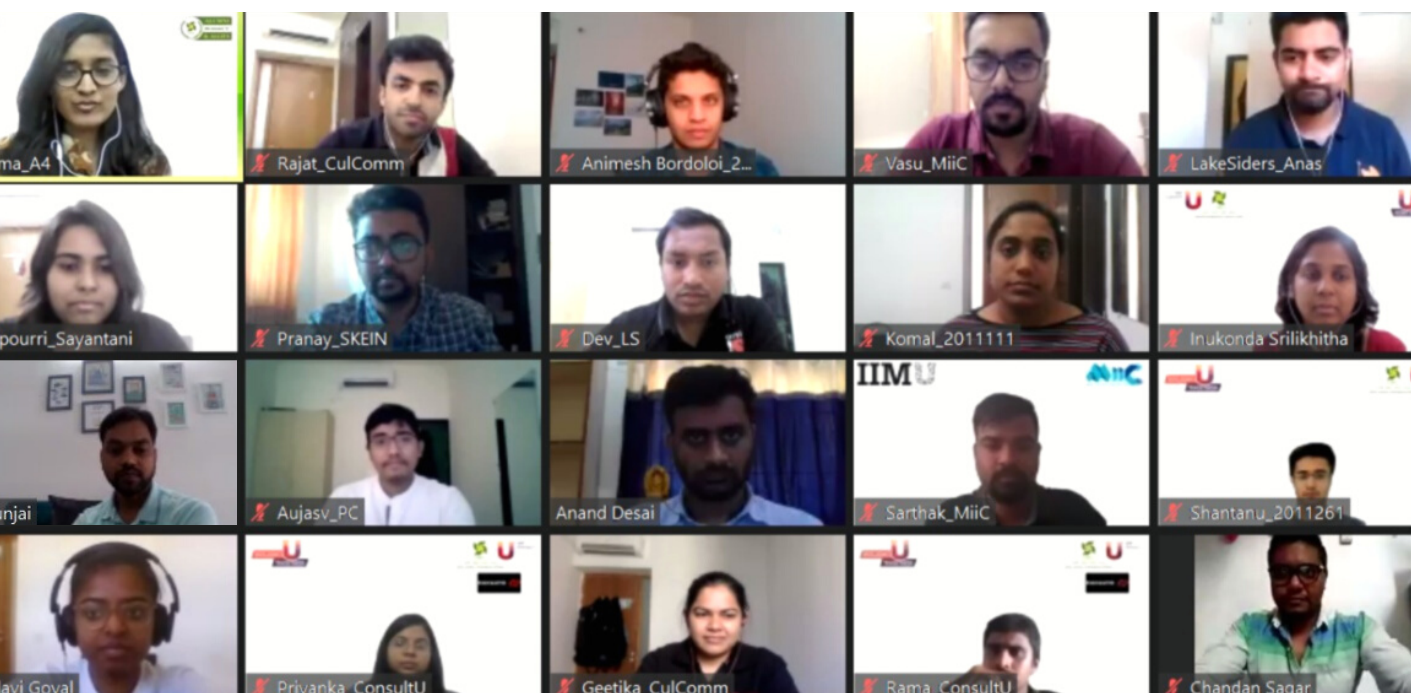

FLASHBACK VIII

Unlike previous years, the flagship event of A4- Flashback, was conducted online this year. It was instrumental in fostering the interaction between the alumni and the IIM Udaipur fraternity to maintain and promote alumni engagement alongside development of the institution. During this event, several alumni interacted with the faculty and vice versa and refreshed their memories of their time at IIM Udaipur. They also shared their achievements and challenges faced especially during the Covid days. Later, Mr. Arun Singhal from the Placement Office and Ms. Payal Pitliya from the Learning

and Development Cell conveyed the institute's progress in terms of placements and how the challenges were being taken head on. The annual magazine 'THUMP 8.0' was unveiled by Prof. Janat Shah, which included invaluable articles from faculty, alumni, students, and several social clubs and committees of IIM U.

A4 team then proceeded with the election of next Vice-President as the serving Vice-President completed his tenure of three years. There were 2 final shortlisted candidates who pitched for the position. It was

followed by a Q&A segment. The entire process was carried out on Zoom platform and was overseen by Mr. Rudreshwaraiah, currently serving as Administrative Officer (Student Relations). After completion of the pitches, there was a break for lunch. In parallel to the events happening, there was a three-hour window provided for voting.

Then the event witnessed pleasant and refreshing performances from 'Octaves' and 'FootworX', the music and dance societies of IIM Udaipur respectively. The performances were applauded by both, alumni and the faculty. As part of another performance, the event witnessed a standup comedy act by Ms. Antima Garg, member of PotPourri, the Literar-

y and Quizzing Club of IIMU.

It was then time for SCO interactions for which separate breakout rooms were created for each SCO in which the alumni freely interacted with the current members and took updates about their SCO. This marked a special attraction as members took this opportunity to get suggestions and encouragement from the alumni experiences. Also, the alumni showed immense enthusiasm in talking to the students and tracking their club/committees' progress.

The day-long interactive sessions and memories ended on a successful note, complete with a vote of thanks from the A4 Team of 2020-21.
