INTERNATIONAL EXCHANGE PROGRAM FACT-SHEET 2024 – 2025

► The 'U' Advantage

The youngest AACSB-Accredited Management School in the country and was the 4th IIM to have attained it. Only 5% of B-Schools in the world are AACSB Accredited.

IIM Udaipur, the only IIM to be in the top 100 of the prestigious FT MIM Global Rankings 2023 consecutively for 5 Years since 2019

Indian Institute of Management Udaipur featured in the prestigious Masters in Management (MIM) QS World University Rankings 2024 for the Fifth consecutive year.

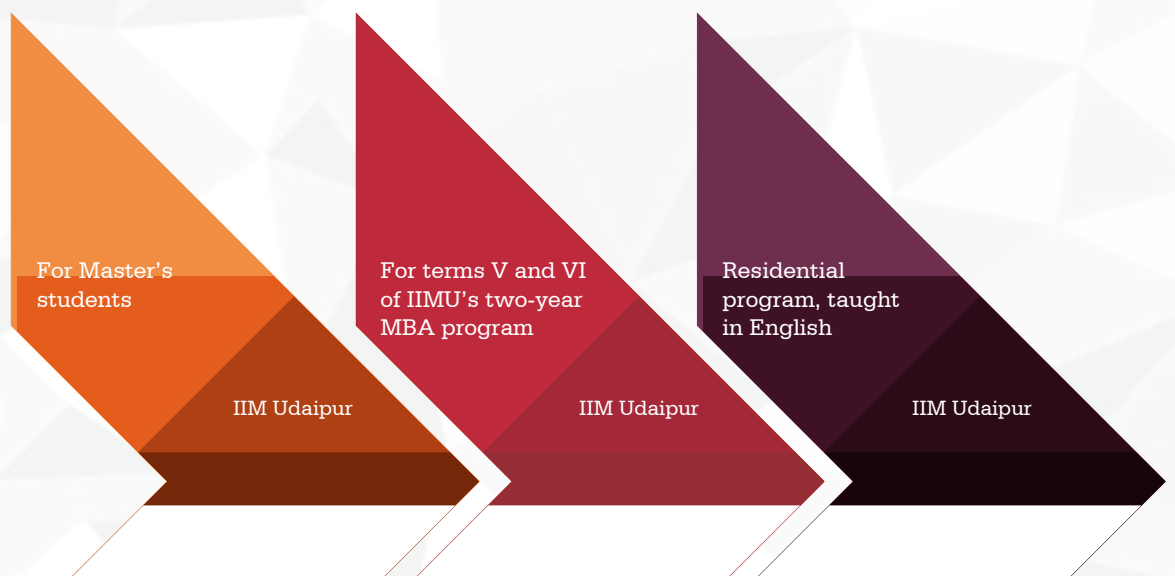

Ranked 4th in India after ISB, IIM Ahmedabad & IIM Bangalore, for research according to the globally recognized UT Dallas Rankings.

IIM Udaipur is ranked 16th amongst all B-Schools in the NIRF Rankings 2023. The ranking shows the relentless pursuit of excellence in research and academics. It reflects the stalwart contribution of our faculty members and students, who have demonstrated their efforts in all fields.

► IIMU's exchange program offers an opportunity

- To live and study in one of the world's fastest-growing economies,
- To explore its rich and colorful history & diverse and spiritual culture, and
- To experience learning at a top-ranked university situated in one of the best cities in the world!

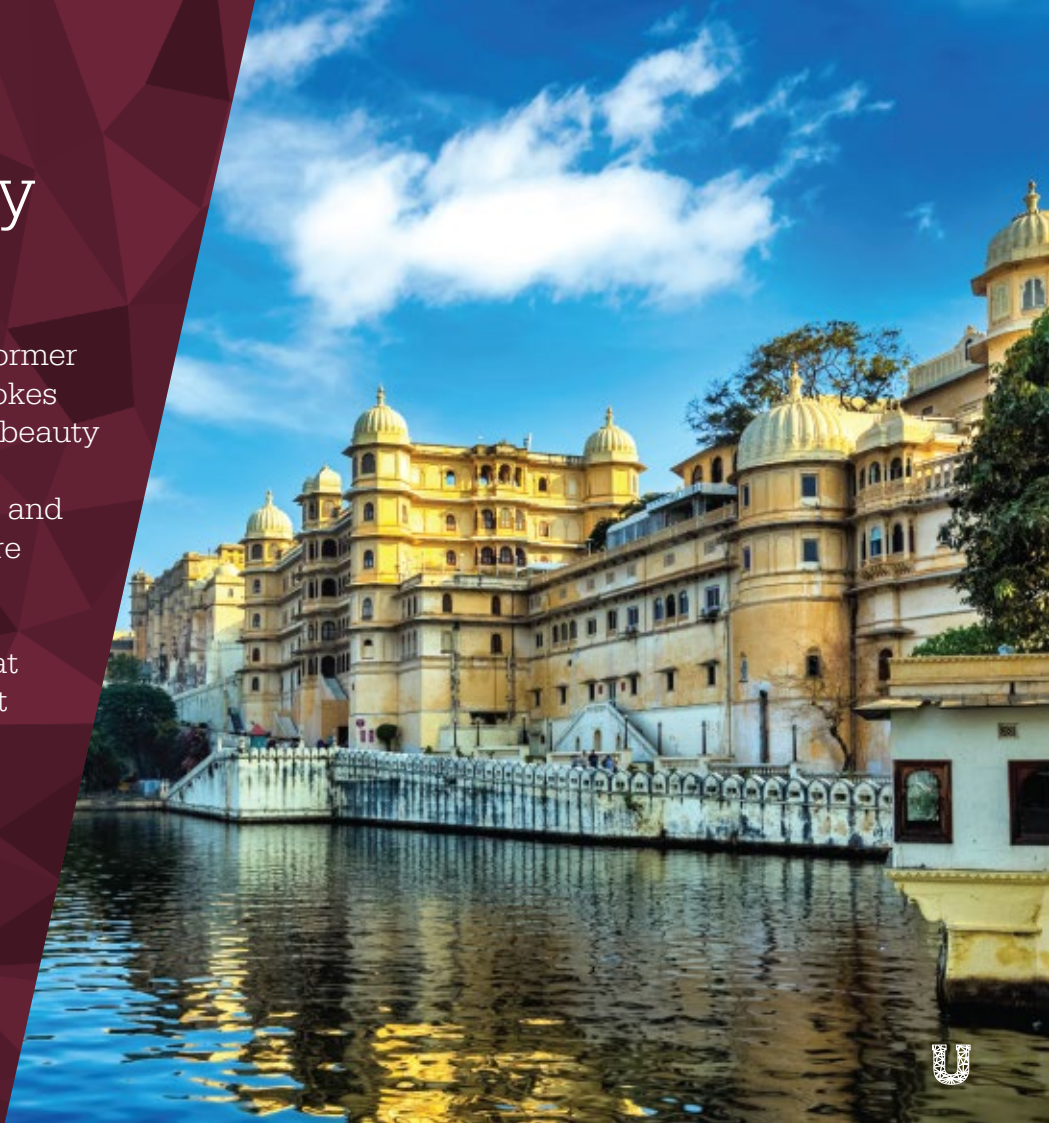

IIM Udaipur (IIMU)

IIM Udaipur campus occupies 300 acres in Balicha about 8 km from the centre of Udaipur. The campus has state of the art classrooms and WIFI. Students are provided with air-conditioned single room accommodation. The campus has a fully equipped gym and other recreational facilities. The architecture has been designed to minimize energy consumption. In addition to conserving power and water, the campus has been planned to be a zero-waste facility. There is an atrium for Yoga, a room for meditation, a 24X7 medical center, an ATM and eateries.

Udaipur City of Lakes

Udaipur, the capital of the former princely state of Mewar, evokes the same sense of heritage, beauty and grandeur as timeless destinations such as Venice and Prague. This cradle of culture and history is the perfect backdrop for IIMU.

If ever there was a place that lent itself as an environment for the kind of management education IIMU aspires to deliver, it is Udaipur and Rajasthan. With this heritage, culture and location, IIMU is truly where history meets the future.

ACADEMIC INFORMATION

Academic Areas

IIMU conducts an MBA program in General Management with a focus on the following areas:

- Business Policy & Strategy
- Economics & Development Studies
- Finance & Accounting
- Marketing
- Operations & Information Systems
- Organizational Behavior & Human Resource Management

Pedagogy

IIMU's learning methodology is imparted through case studies, discussions, management simulation, student projects, take-home assignments, and lectures.

Minimum and Maximum Course Load

The course load of incoming exchange students at IIMU depends on the number of course credits requirement by their home institute.

A four-credit course requires about 100 hours of work, including 20 class sessions of 90-minute duration. Courses of two and four credits are offered at IIMU. In special circumstances, non-credit courses with workload implications may also be offered.

Language

Proficiency in the English language is compulsory. We accept a TOEFL IBT score of 79; an IELTS score of 6.5 or a letter from the home institute confirming that the medium of instruction is English.

Attendance

A minimum attendance of 80 per cent of scheduled sessions is required in each course. However, the instructor can specify a higher minimum level of attendance as an academic requirement for the completion of a course. If a student fails to meet this requirement, due to leave without permission from the Programs Office, the instructor may award an "I" (Incomplete) grade to the student or one full grade point lower than that secured by the student in that course.

Grading

Grades are based on a five-point scale as follows:

Grade	A	B	C	D	F
Description	Excellent	Good	Satisfactory	Low Pass	Fail
Grade Point	3.50 - 4.00	2.50 - 3.49	1.50 - 2.49	0.50 - 1.49	0.00 - 0.49

If a student has not satisfied the academic requirements of a course, he/she may be assigned an "I" (Incomplete) grade temporarily, representing non-completion of the academic requirements for the course.

▶ **Transcript of Records**

The soft copy of the transcript will be sent to the home institute after the term ends. On request from the Home Institution Hard copy can be couriered.

▶ **Admission process**

IIMU will invite the partner institutes to register the nominated students online. After receiving the nominations, an application link will be e-mailed to the students. The nominated student will have to fill in the information and upload documents such as a CV, passport, and transcript. Once all the information is received, IIMU will issue a letter of acceptance to students. At a later stage, students may be asked to upload more documents to facilitate their stay on campus.

▶ **Course Registration**

IIMU will share a course list along with the course outlines about one month before the beginning of each term. The incoming exchange students are required to pre-register for courses according to the home institute's requirements. Students are not permitted to register for fresh courses on their arrival at IIMU or drop out of the courses that they have confirmed. This applies to all students of Terms V and VI.

▶ **Legal Formalities**

On arrival, incoming exchange students need to register with the Foreign Regional Registration Office (FRRO). A set of documents like a copy of the passport, copy of the visa, passport-size photographs, etc. will be required to complete these formalities. The institute will assist the students with the process. The students are required to strictly adhere to the rules of the government and the institute throughout their participation in the STEP program. Students are advised to complete the exit formalities with FRRO before leaving the IIMU campus.

▶ **Orientation**

Incoming exchange students are welcome to contact IIMU for any information and queries before their departure. On arrival, a session will be held with the students to share information relevant to their academic and non-academic life on campus.

▶ **Visa and Insurance**

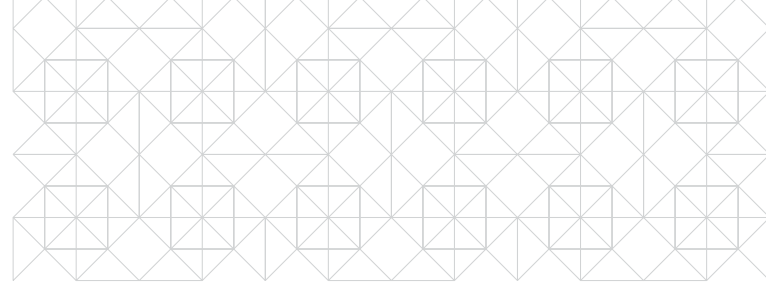

Incoming exchange students are required to obtain a student visa to study at IIMU during the exchange term. Students with other types of visas are ineligible to participate in the exchange program. Students should possess a Travel & Health Insurance Policy before coming to IIMU.

▶ **Arrival**

Incoming exchange students are advised to reach the IIMU campus at least two working days before the beginning of the term (early access to hostel accommodation can be requested). This will help in completing the registration formalities and familiarizing with the new surroundings before the classes begin.

▶ **Payment**

The students are required to make payment for the food and accommodation charges to the Institute's bank account upon their arrival.

Student Life

Our Clubs – Passion

Campus life at IIMU is vibrant and active with a myriad of student clubs and committees. Functional and professional clubs, cultural clubs, sports and hobby clubs, and social outreach – IIMU has it all. There are 25 plus student-run cells and committees facilitating activities throughout the year. Students can explore their interests and passions, develop life-long bonds and relationships and hone their leadership skills. You may refer to the IIMU official website to know about some of our clubs and committees.

Our Campus - Community

IIMU prides itself on the student diversity that it attracts to its post-graduate programs and who, in turn, choose to call it their home. We are a close-knit family with both faculty and students living on campus. Students have their own rooms in the fully air-conditioned hostels. We believe that just as an institute shapes its students' future, in the same way, each successive batch shapes and evolves the campus culture. IIMU has a student-written constitution in place, as well as an honor code and value-driven student self-government.
