IIMU's Centre for Digital Enterprise Management signs MoU with CGI

Activities

01 IIM Udaipur Becomes the National Finalist in Global Management Challenge (GMC) India 2020

In one of the world's largest strategy and management competition, Global Management Challenge (GMC) organized by SDG- Simuladores e Modelos de Gestão, IIM Udaipur became the National Finalists for GMC India 2020. In this year's management competition where all top B-schools of India, including IIMs, participated, seven teams from **IIM Udaipur reached the National qualification round, out of the 54 selected**. Further, eight teams were declared as the National finalists, out of which IIMU GSCM (Global Supply Chain Management) was one of them.

IIMU is currently ranked fourth in India, after ISB, IIMA and IIMB, for management research, according to UT Dallas's methodology, which tracks publications in the leading global journals.

02 IIMU's Centre for Digital Enterprise Management signs MoU with CGI

The Indian Institute of Management Udaipur's (IIMU) Centre for Digital Enterprise Management signed a Memorandum of Understanding (MoU) with CGI Information Systems & Management Consultants Private Limited to **accelerate projects, engage in knowledge transfer and share industry-level insights**. CGI is one of the largest global IT and business consulting firms in the world.

The B-school entered into the collaboration with CGI with the vision of providing **industry-level exposure** to its students in the form of co-creating knowledge through case studies, research papers, white papers and developing industry-level frameworks. The B-school may also undertake CGI's recommendations on course content.

Events

01 IIM Udaipur's Annual Management Fest SOLARIS 2021

The sixth edition of the management extravaganza is set to take place on **9th-10th January 2021** with over 25+ speakers, eight virtual summits, five panels, 20+ learning events.
